#### **How to give?**

Bring 1 can of soup to Axis/D-Group on Sunday, March 3rd! They are asking for either Progresso or Campbell's chunky soup.

### **Anna Daley Scholarship Fund:**

Anna passed away on May 8th, 2012 from leukemia. She was involved in Chapelstreet student ministry and in honor of her memory and in accordance with her wishes, her parents established a scholarship fund in order to allow students who could not financially afford to participate in a retreat or event to be able to attend. Anna desired for her peers and the students who would be a part of Student Ministries to hear the gospel and grow in their faith. The generosity of those who gave in honor of Anna has made it possible for students since 2012 to participate in the Student Ministries at Chapelstreet. Over the years hundreds of families have received support from this fund, including 19 families for Winter Retreat 2024.
