

RHYTHMS

SERIES OVERVIEW:

In this series, students will be introduced to various spiritual disciplines to help them on their discipleship journey. Our goal is to equip students to implement these rhythms into their daily lives, allowing them to experience Jesus & grow closer to Him!

We're covering two rhythms in one week (to make up for January 14th).

As followers of Jesus, we gather together regularly to worship, hear the Word preached, and pray together as the family of God. We also understand that God wants each of us to grow in our relationship with Him through Scripture and prayer.

FEBRUARY 25, WEEK 4: Give Generously
