

Team Member Application:

- Go to profile.onecollective.org
- Create an account
- Verify your account by validating a link in an email the system will send to you. You must click this link to verify your account and continue. Please check your spam folder if needed.
- Once validated, re-click the link in this email: profile.onecollective.org
- Log In
- Click on "Short-Term Teams" in the upper right-hand corner
- Search using your team's unique ID by typing it into the search box: **772**
- Team is titled: **Chapelstreet STT to El Refugio**
- Click 'Apply'
- You can then access your application.
- Once complete, submit the application. After your application has been approved, you will need to login to complete your paperwork and some remaining questions.

How to sign in in the future

- Go to profile.onecollective.org
- Login (username Johndoe@gmail.com or Johndoe-remember how you set it up initially)
- In the upper right hand corner click "Short-Term Teams"
- Scroll down and you will see your team
- Click "Manage Process"
- Blue boxes indicate completed tasks, while green boxes indicate tasks which must still be completed.
- Information typed into boxes will automatically be saved
- If the information does not apply to you, simply type N/A
