

26th Annual

STUDENT MISSIONS

AUCTION

CHAPELSTREET
CHURCH

Why Student Missions?

I'm so excited to share an evening with you and raise the funds necessary to send over 175 students and leaders on missions experiences in 2024!

This booklet outlines many of the exciting items and experiences available for bidding, but first, I'd like to take a moment to share with you what your participation in this auction truly means.

Chapelstreet Church has been sending students on mission trips for over 35 years. Throughout that time, thousands of students have served alongside gospel ministry partners in places such as Chicago, Milwaukee, St. Paul, Toronto, Cabo San Lucas, Quito, and many others.

As a part of these mission experiences, some students (including myself!) accepted Jesus and entered into a relationship with Him. Some have begun to discover a call in local church and/or global ministry and many others have experienced the goodness of God and grown in Him as they've served.

I believe sending students on missions is far more than just a trip. It's an experience for them to have their view of the world and their view of God expanded in a significant way. That is why your financial and prayer contributions play a meaningful part.

So, before you receive your bidding number, I'd simply encourage you to join me in doing two simple things.

Praising God for what He has done through Chapelstreet students missions.

Asking Him to do immeasurably more than we could imagine in and through our student teams as they serve!

Now, let the bidding begin!
